From M Shama Rao Esquire I A S
Inspector General of Education in Mysore

To
K R Srinivasiengar Esquire M A
Offg Secretary to the Government of His Highness the
Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to inform you that 10 Scholarships at Rs 7/- a month each are given to the first 10 successful students of the Engineering School Mysore for undergoing training in practical course This arrangement is reported by the Head Master of the Engineering School Mysore to be unsatisfactory as the amount of Rs 7/- is not sufficiently attractive to the students who are posted to the Divisions selected by themselves The Head Master proposes that instead of selecting 10 students only 5 may be selected and given a scholarship of Rs 14/- a month each and sent to divisions where important works are in hand This involves no extra cost to Government and is likely to prove an improvement upon the old System

In the circumstances I recommend that the change of scholarships proposed may be sanctioned till the revised scheme of sub-committee is sanctioned and brought into force in full working order 2 years hence I request that you be so good as to obtain early orders of Government

I have the honour to be
Sir
